

## Doctor's Brief Curriculum Vitae

### **Name and Title:**

Fotios Archontovasilis MD, cMSc (MIS), cMSc (Robotics), PhD

Head and Director, 6<sup>th</sup> Surgical Dept. Metropolitan General Hospital

Head and Director, Center of Excellence in Hernia Surgery, Metropolitan General Hospital

Scientific Associate, University of Athens Medical School

President of the BoD, Hellenic Association for Endoscopic Surgery

### **Specialty:**

#### **Consultant General Surgeon**

Specialization and Certification in Laparoscopic and Robotic Surgery

Specialization in Abdominal Wall Hernia Surgery

Specialization in Anal Surgery with Laser and RF

## Doctor's Brief Curriculum Vitae

### Place of work & Position

- **Head and Director**, 6th Surgical Clinic, Metropolitan General Hospital
- **Head and Director**, Center of Excellence for Abdominal Wall Hernia Surgery, Metropolitan General Hospital
- **Scientific Associate**

1st Pre-University Surgical Clinic, Medical School, University of Athens

### Education:

1991 – 1997 Medical Degree

National and Kapodistrian University of Athens,

Medical School, July 1997

Grade: Very Good

1997 – 1999 Fulfillment of Military Obligations in the Army

1999 – 2000 Fulfillment of Compulsory Rural Service.

Resident at the General Hospital of Lamia

(1/7/1999–1/10/1999)

Rural Doctor at the Molos Hospital of Fthiotida

(6/10/1999 – 6/10/2000)

2001 - 2007 Specialty in General Surgery

1st Pre-University Surgery Clinic

University of Athens, General Hospital "Ippokrateio"

## Doctor's Brief Curriculum Vitae

2011 Doctor of Medicine (PhD), University of Athens Medical School

"The effect of artificial nutrition on the immune system of critically ill surgical patients"

Grade: EXCELLENT

- ATLS (Advanced Trauma Life Support)

Diploma obtained: 1997

- Post-graduate Seminars in Artificial Nutrition

Artificial Nutrition and Pathogen Unit Obesity,

Surgical Clinic of the University of Patras,

under the auspices of the Hellenic Society of Parenteral and Enteral Nutrition.

(Rio 21-23 May 1999)

(Rio 8-10 December 2000)

- Laparoscopic Surgery Seminars

Advanced Laparoscopic Surgery Seminar

National and Kapodistrian University of Athens

1st Pre-University of Surgery

Laboratory of Experimental Surgery

Athens, 18 – 20 June 2003

- Pre-Conference Laparoscopic Surgery Seminars

7th Panhellenic Congress of Laparoendoscopic Surgery

Ioannina, 19-22 May 2005

- Post-Conference Courses in Surgical Pathology of the Colon.

February 2006 – October 2007

- Course and Laboratory Session in:

LAPAROSCOPIC BARIATRIC SURGERY

## Doctor's Brief Curriculum Vitae

1st Part: 27 – 29 September 2006

2nd Part: 18 – 20 October 2006

Athens, Greece

National Kapodistrian University of Athens,

1st Department of Propedeutic Surgery

European Association for Endoscopic Surgery

- Training in a Surgical Intensive Care Unit

(1st Propedeutic Surgery Clinic, University of Athens,

Responsible: Professor of Surgery: St. Katsaragakis)

from October 2002 to November 2004 (25 months),

with daily and exclusive involvement with critically ill surgical patients, and 7 – 9 on-call shifts per month throughout my stay.

• Monitoring the activities of the Endoscopy Department of the Hippocratic Hospital of Athens (Head: Director Surgeon-Endoscopist A. Romanos), with training in upper and lower digestive endoscopy, as well as in the basic principles of ERCP. Duration of training: March 2005 – May 2005 (3 months).

- "Basic Principles of Laparoscopic Surgery – Advanced Laparoscopic Surgery Today."

Postgraduate Course in the framework of the 25th Panhellenic Congress of Surgery

and International Surgical Forum

Athens, November 20, 2006

- 8th Postgraduate Course In Endocrine Surgery

Ag. Pelagia, Heraklion Crete – Greece, September 21-24, 2007

- 2nd Hellenic – Turkish ESMO ADVANCED COURSE

Recent Advances of Chemoradiation in Oncology

Athens, Greece, December 8 – 9, 2006

## Doctor's Brief Curriculum Vitae

- Surgical Training Course on the HAL – RAR  
(Haemorrhoidal Artery Ligation) - (Recto Anal Repair).

Hospital d. Barmh. Schwestern, Vienna, Austria

18th January, 2008

Prim. Univ. Dr. Wunderlich Max (Head of Surgery)

Dr. Johannes Langmayr (General Surgeon)

- Training In Minimal Access Surgery

NOTES Hands On Course

IRCAD –EITS, Louis Pasteur University

October 3 – 4 2008, Strasbourg – France

- 1st International Hands on Course Single Access Minimally Invasive Surgery

June 25 - 26 2009, ELPEN Experimental and Research Center

- Training in Minimal Access Surgery

ADVANCE COURSE IN LAPAROSCOPIC COLORECTAL SURGERY

IRCAD –EITS, Louis Pasteur University

November 13-14 2009, Strasbourg, France

- Surgical Pathology of the Large Intestine Seminars

University of Crete – completion of four semester cycles

2006-2007

- Console Surgeon Certification (Robotic Surgery)

Theoretical and practical training in experimental animals and simulators  
on the DaVinci HD robotic surgical system.

8th International Workshop in Robotic Surgery for Southeastern Europe

## Doctor's Brief Curriculum Vitae

Biomedical Research Foundation of the Academy of Athens

National and Kapodistrian University of Athens

2-5 May 2011

- Certification of training in Basic and Advanced Laparoscopic Surgery.

Organized by the Hellenic Surgery Association, the First Propaedeutic Surgical Dept. of the Athens University, and the Experimental Laboratory ELPEN.

Athens, 17-20 October 2011

- LLL Course Certificate in "Nutritional support in Liver disease"

European Society for Clinical Nutrition and Metabolism

European Society for Parenteral and Enteral Nutrition

Athens, Greece, May 2012

- LLL Course Certificate in "Nutritional support in Renal disease"

European Society for Clinical Nutrition and Metabolism

European Society for Parenteral and Enteral Nutrition

Athens, Greece, May 2012

- Postgraduate courses in Artificial Nutrition

"NUTRITION ACADEMY",

Athens, 31 March – 1 April 2012

Thessaloniki, 7-8 April 2012

Nafplion, 9-10 March 2013

Kastoria, 30-31 March 2013

- Laparoscopic Hernia Repair Course

Larissa, Greece, 26-27 September 2014

## Doctor's Brief Curriculum Vitae

- Workshop on the ONSTEP Technique

A new concept in Inguinal Hernia Repair

23-24 June 2014, Havelklinik Hospital, Berlin, Germany.

Instructor: Dr. Ralph Lorenz

- Colorectal Laparoscopic Surgical Skills Course (1st chapter)

"Inflammatory Bowel Disease, Polyposis Syndromes and Rectal Prolapse"

6th Department of Surgery, Hygeia Hospital, Athens, Greece

European Surgical Institute, Brussels, Belgium

Biomedical Research Foundation Academy of Athens

(Hands on course in live tissues)

Athens, 23-24 April 2015

- Colorectal Laparoscopic Surgical Skills Course (2nd chapter)

MASTER CLASS

6th Department of Surgery, Hygeia Hospital, Athens, Greece

Cleveland Clinic, Florida, USA

Athens, 19-20 June 2015

- Workshop on Peritoneal Surface Malignancy

Theory and Live Presentation sessions

Hellenic Surgical Society

Athens, 19 and 21 February 2015

- Advanced Training Course in "Laser therapy in Proctology"

Marien Hospital, Witten, Germany

Director: Dr. Thomas Deska

14th of December 2015

## Doctor's Brief Curriculum Vitae

- 1st International Symposium of Pelvic Surgery  
International Society of Pelvic Surgery  
Training in: Laparoscopic and Transanal surgery Wet Lab  
Athens, March 3, 2016

- Training in Minimally Invasive Surgical Repair  
of Hernias and the Abdominal Wall  
(Abdominal Wall Reconstruction Workshop)  
Imelda Hospital, Bonheiden, Belgium  
Instructor: Dr. Tim Tollens  
Belgium, March 2016

- 7TH TRAINING OF TRAINERS SEMINAR  
No. 1585 – 18 CME  
Organization – Certification: Educational Council of the Hellenic Surgical Society (HECS) and  
Research – Experimental Center ELPEN.  
Athens, January 21-22, 2017  
No. Prot. Education: 355/2017

- Official TRAINER - INSTRUCTOR/ HSS InstS for the Hellenic Surgical Society (HES)  
Prot. No. 1808/6-2-2017

- International Symposium on Abdominal Wall Robotic Surgery  
Ghent, Belgium 24-26 May 2018

- Training in the Advanced technique of repair of large and complex abdominal hernias and  
postoperative hernias of the abdominal wall with the TAR method (Transversus Abdominis  
Release)

Proctor / Mentor : Frederik Berrevoet  
UZ University Hospital, Ghent, Belgium, May 2018

## Doctor's Brief Curriculum Vitae

- Certification of Training and obtaining the title of Console Surgeon for the daVinci Xi Robotic System

RAIN (Robotic Academy Intuitive Naples)

RAIN Director: Prof. Guido De Sena

Naples, Italy, 20 June 2018

- Advanced Training Course in "Laser therapy in Proctology"

Marien Hospital, Witten, Germany

Director: Dr. Thomas Deska 22 October 2018

- Training in Robotic Preperitoneal Surgical repair of abdominal wall hernias with the techniques eTEP, eTEP-RS, eTEP-TAR.

Proctor / Mentor : Igor Belyansky

Anne Arundel Hospital, Maryland – Baltimore, USA

April, 2019

- Training Seminar

Minimally Invasive Surgery of Abdominal Wall Hernias:

Training in the daVinci Xi Robotic System

Organization: Hellenic Society of Endoscopic Surgery (HSES)

ISLE Training Center, Maroussi, 16/5/2019

- 2nd Training Seminar

Minimally Invasive Surgery of Abdominal Wall Hernias:

Organization: Hellenic Society of Endoscopic Surgery (HSES)

12 CME

Pasteur Institute, Athens, 17 – 18 /5/2019

## Doctor's Brief Curriculum Vitae

- MILOS AND MORE HERNIA TECHNIQUES

11 September, 2019

Hotel Hafen, Hamburg, Germany

8 CME credits points

- Romanian Hernia Days - Hernia Experts Conference and Clinical Hernia Course

17-18 October, 2019

Bucharest, Romania

14 CME credits

- Training in Laparoscopic Preperitoneal Surgical Repair of Abdominal Wall Hernias with the eTEP, eTEP-RS, eTEP-TAR techniques.

Proctor / Mentor: Dr. Victor RADU

September – October, 2019

MedLIFE Grivita Hospital, Bucharest, Romania

- Training in neoV Laser system for Proctology and anal diseases

24 June, 2020, NeoLaser, Caesarea, Israel

- 1st Robotic Ventral Course

Organized by the European Hernia Society (EHS)

11th April 2022

- 2nd Robotic Ventral Course

Organized by the European Hernia Society (EHS)

7th May 2022

78. Robotic Abdominal Wall Surgery seminars

1-2 June 2023

Oude Vismijn, Ghent, Belgium

## Doctor's Brief Curriculum Vitae

- Surgical Training in Robotic Abdominal Wall Reconstruction Surgery

eTEP, eTEP-RS, eTEP-TAR, ventral TAPP, Flank Hernia repair

Proctor / Mentor : Igor Belyansky (Director of the AWR department)

July 2023

Luminis Health Anne Arundel Medical Center, Annapolis, Maryland, USA

- Training in RAFAELO technique

(for treatment of hemorrhoids with RadioFrequency under local anesthesia)

Proctors: Dr. H. Schafer, Dr. C. Vivaldi

Endarmpraxis Koln, Germany

20-09-2024

### Professional Experience:

- 2007 – 2015 Curator of the First Department of Endoscopic Surgery

IASO General Clinic (Director Ch. Feretis)

- 2008 – 2015 Associate Surgeon of the REA, Lefkos Stavros,

Athens Bioclinic Hospitals

- 2015 – 2018 Head and Director of the First Department of Endoscopic Surgery

IASO General Clinic

- 2018- present Head and Director of the Sixth Department of Surgery,

Metropolitan General Hospital

## Doctor's Brief Curriculum Vitae

- 2021 – present Head and Director of the Center of Excellence for Hernia Surgery  
Metropolitan General Hospital
- 2024 – present Scientific Associate  
First Department of Preparatory Surgery,  
Medical School, University of Athens

## Doctor's Brief Curriculum Vitae

### **Research experience**

#### *Participation in clinical trials*

2/2004 – 6/2006      Study of increased intestinal permeability observed in major surgical procedures.

1<sup>st</sup> Propaedeutic Surgical Clinic, SICU, Hippokration Hospital

(The study was granted by the National and Kappodistrian University of Athens: Scientific coordinator: Lecturer D. Theodorou,

Date of application acceptance: 28/6/05

Protocol. No: 1664

Research Code number: 70/4/8208

5/2003 – 12/2003      Immunonutrition in critically ill surgical patients

1<sup>st</sup> Propaedeutic Surgical Clinic, SICU, Hippokration Hospital

8/02 – 11/04      Prospective observational study of tissue perfusion markers (pHi, DO<sub>2</sub>/VO<sub>2</sub>, CO) in septic patients.

1<sup>st</sup> Propaedeutic Surgical Clinic, SICU, Hippokration Hospital

## Doctor's Brief Curriculum Vitae
