

Dr. Stavros Alevrogiannis

Director of the Robotic Orthopaedic Knee and Hip Surgery Clinic
Certified Master Surgeon in Joint Replacement

PROFESSIONAL EXPERIENCE

September 2018 – Present

Director of the Robotic Knee and Hip Surgery Clinic
METROPOLITAN GENERAL HOSPITAL

September 2015

Director of the Orthopaedic Clinic of Athens Medical Group – Psychiko Clinic

September 2013 – 2018

Director of the Regenerative and Reconstructive Orthopaedic Surgery Clinic
METROPOLITAN GENERAL HOSPITAL

September 2011 – September 2013

Director Orthopaedic Surgeon of Athens Medical Group – Peristeri Clinic

February 2007 – 2012

Physician of the Hellenic National Softball Team

February 2006 – September 2013

Deputy Director of the Second Orthopaedic Clinic
251 Hellenic Air Force General Hospital

February 2006 – Present

Director of the Orthopaedic Clinic
EUROTHERAPIA – ATHINAEON

February 2006 – Present

Scientific Associate of BIOCLINIC, Athens and Piraeus

July 2005 – January 2006

Registrar at the Orthopaedic Department for the Treatment of Bone and Soft
Tissue Tumours
Royal National Orthopaedic Hospital Trust Stanmore, London, United
Kingdom
Director: Consultant Orthopaedic Surgeon Mr TWR Briggs

February 2005 – June 2005

Unpaid Scientific Associate at the Department of Knee Surgery and Sports Injuries

Whittington Hospital, NHS Trust, London, United Kingdom

Director: Consultant Orthopaedic Surgeon Mr P. Thomas

December 2004 – June 2005

Registrar Orthopaedic Surgeon at the Department of Reconstructive Limb Surgery

Royal National Orthopaedic Hospital Trust Stanmore, London, United Kingdom

Director: Consultant Orthopaedic Surgeon Mrs Sarra Murhead-Allwood

October 2002 – December 2004

Deputy Director of the Second Orthopaedic Clinic

251 Hellenic Air Force General Hospital

EDUCATION & ACADEMIC TITLES**September 1997 – September 2002**

Second Orthopaedic Department (Director P. Papadelis)

General Hospital of Accidents KAT, Kifissia

Specialty in Orthopaedic Surgery and Traumatology

January 2001 – July 2001

Department of Plastic and Reconstructive Surgery

(Director G. Lochaitis)

General Hospital of Accidents KAT, Kifissia

Specialty in Orthopaedic Surgery and Traumatology

January 2000 – January 2001

Paediatric Orthopaedic Department

(Director Dr Anastasios Kanellopoulos)

General Hospital of Attica, KAT, Kifissia

Specialty in Orthopaedic Surgery and Traumatology

June 1999 – December 1999

Neurosurgical Department

(Director Dr A. Anagnostopoulos)

General Hospital of Attica, KAT, Kifissia

Specialty in Orthopaedic Surgery and Traumatology

September 1996 – September 1997

Second Surgical Clinic

251 Hellenic Air Force General Hospital

(Director Dr I. Vlachos)

Year of General Surgery
Specialty in Orthopaedic Surgery and Traumatology

POSTGRADUATE TRAINING ABROAD

10 July 2018 – 13 July 2018

Certification in the MAKO Robotic System
University of Coventry, United Kingdom

20 April 2009 – 26 April 2009

Center of Cartilage Repair
Rizzoli Hospital, Bologna, Italy
(Director Professor Marcacci)
New biological techniques in the treatment of cartilage lesions

13 April 2008 – 14 May 2008

Department of Sports Injuries
ATOS KLINIK, Heidelberg, Germany
(Director Professor Paessler)

July 2005 – January 2006

Registrar at the Orthopaedic Department for the Treatment of Bone and Soft
Tissue Tumours
Royal National Orthopaedic Hospital Trust Stanmore, London, United
Kingdom
(Director Consultant Orthopaedic Surgeon Mr TWR Briggs)

February 2005 – June 2005

Unpaid scientific associate at the Department of Knee Surgery and Sports
Injuries
Whittington Hospital, NHS Trust, London, United Kingdom
Director Consultant Orthopaedic Surgeon Mr P. Thomas

December 2004 – June 2005

Registrar Orthopaedic Surgeon at the Department of Reconstructive Limb
Surgery
Royal National Orthopaedic Hospital Trust Stanmore, London, United
Kingdom
(Director Consultant Orthopaedic Surgeon Mrs Sarra Murhead-Allwood)

10 May – 17 May 2004

Endo Klinik, Hamburg, Germany
(Director Dr med. W. Niedermauntel)
Department of Reconstructive Surgery, Arthroplasties and Hip and Knee
Revisions

14–19 January 2001

Centre De Traumatologie et D'Orthopaedie
Strasbourg–Illkirch, France
Trauma Centre and Intramedullary Nailing Centre

6 July – 9 August 2001

School of Aerospace Medicine
Brooks Air Force Base, Texas, United States of America
Postgraduate training in flight physiology and the human factor in flight

22 October – 30 October 1999

Postgraduate training in external fracture fixation systems
Citieffe, Bologna, Italy

POSTGRADUATE STUDIES**2013 – 2015**

Postgraduate programme entitled “Sports Medicine”
International Olympic Committee

June 2011

Doctoral thesis entitled
“Long-term results of the use of hydroxyapatite as coating in total knee arthroplasties”
Completed in June 2011

September 2011

Awarded the title of Doctor of Philosophy
Medical School of the University of Thessaly

MEMBERSHIPS OF SOCIETIES, EDITORIAL BOARDS OF JOURNALS

Executive Member of EKA (European Knee Associates – section of ESSKA)

- Medical Team of the International Olympic Committee
- Founding Member and Member of the Scientific Council of the Hellenic Society of Regenerative Medicine, Biotechnology and Anti-Aging
- Hellenic Society of Orthopaedic Surgery and Traumatology
- Hellenic Sports Medicine Society
- Hellenic Society of Arthroscopy, Knee Surgery and Sports Injuries “G. Noulis”
- European Society of Sports Traumatology, Knee Surgery and Arthroscopy

- International Society of Arthroscopy, Knee Surgery and Sports Injuries
- International Cartilage Repair Society
- International Federation of Sports Medicine
- College of Greek Orthopaedic Surgeons
- American Association of Orthopaedic Surgeons
- Balkan Sports Medicine Society
- British Orthopaedic Association
- European Federation of National Associations of Orthopaedics and Traumatology
- International Association of Biological Joint Reconstruction
- International Society for Research in Orthopaedic Surgery and Traumatology
- International Society of Orthopaedic Surgery and Traumatology
- International Society of Trauma in Skiing and Winter Sports
- Society of Military Orthopaedic Surgeons
- World Organization of the Bone and Joint Decade

HONOURS AND AWARDS

- The historical evolution of cartilage transplantation in joints.
7th Panhellenic Conference on the History of Medicine, Athens, 14 October 2011
(honorary commendation)
- Award for high quality innovative medical services in robotic orthopaedic surgery for the year 2019
Salus Index Awards 2019, special event of the competent Health Authorities of Greece
Athens, Hotel Grande Bretagne, 06 November 2019
- Awarded for his work in the field of Robotic Orthopaedic Surgery
9th Symposium of Medical Excellence – Innovation and Health Tourism
Athens, 08 May 2023

PUBLICATIONS

- Anatomic single bundle (S.B) versus Double-bundle (D.B) ACL reconstruction. A prospective, randomized study.
Knee Surgery, Sports Traumatology, Arthroscopy (2012) 20 (suppl.1): S34; FP 15-960
Impact Factor: 2.209
- Newly developed nano-structured bio-mimetic scaffold for the treatment of osteochondral defects at the knee. Preliminary results.
Knee Surgery, Sports Traumatology, Arthroscopy (2012) 20 (suppl.1):

S274; P 27-970

Impact Factor: 2.209

- Fully arthroscopically performed 3-Dimensional Autologous Chondrosphere implantation (ACT) for focal chondral defects at the knee. Preliminary results.
Journal of Bone and Joint Surgery (British) 2011, vol. 93B, Suppl. III: 343
Impact Factor: 2.832
- Fully arthroscopically performed 3-Dimensional Autologous Chondrosphere implantation (ACT) for osteochondritis dissecans in talus. Preliminary results.
Journal of Bone and Joint Surgery (British) 2011, vol. 93B, Suppl. III: 169
Impact Factor: 2.832
- Biological resurfacing at the knee for younger and middle-aged patients, with concomitant procedures. Preliminary results.
Journal of Bone and Joint Surgery (British) 2011, vol. 93B, Suppl. III: 373
Impact Factor: 2.832
- Portable navigation systems in total knee arthroplasty. Early results.
IMPULSO magazine for SAMO friends, Spring–Summer 2010, pages 8–9
- Techniques of cartilage transplantation combined with mechanical axis correction procedures, as a therapeutic option in articular cartilage lesions. Early results.
Archives of Hellenic Medicine 2008, Volume 25, Supplement Issue 1: 72
- Third generation autologous chondrocyte transplantation in injured knee. Fully arthroscopic application. Preliminary results.
Sports Medicine. Volume 3, Supplement Issue 1, March 2008, page 38
- MACI-sandwich technique at the knee using a bilayer collagen membrane with bone graft for osteochondritis dissecans. A case report. Preliminary results.
Bone and Cartilage Regeneration Newsletter 3/2007, Geistlich biomaterials
- Minimally invasive Total Knee Arthroplasty. Early results.
Journal of Bone and Joint Surgery (British), March 2006, vol. 88B, Suppl. I: 90
Impact Factor: 2.832
- Surgical treatment of displaced intercondylar T- or Y-fractures of the humerus in adults.
Journal of Bone and Joint Surgery, vol. 83B, 2003, Orthopaedic Proceedings, Suppl. III
Impact Factor: 2.832
- Survival of total knee arthroplasty after deep infection. Case presentation.

Journal of the Hellenic Society of Orthopaedic Surgery and Traumatology, Volume 52, Supplement 2, 2001

- Three-dimensional fracture of the proximal epiphysis of the tibia in a 15-year-old patient. Case presentation.
Journal of the Hellenic Society of Orthopaedic Surgery and Traumatology, Volume 52, Supplement 2, 2001
- Tibial fractures of PILON type. Results of surgical treatment in 38 patients.
Journal of the Hellenic Society of Orthopaedic Surgery and Traumatology, Volume 52, Supplement 2, 2001
- Autogenous Osteochondral Transplantation for knee cartilage defects.
Journal of Bone and Joint Surgery, vol. 83B, 2001, Suppl. II
Impact Factor: 2.832
- Combined closed traumatic injury of Chopart and Lisfranc joints of the ipsilateral foot.
Journal of the Hellenic Society of Orthopaedic Surgery and Traumatology, Volume 51, Supplement 2, 2000, page 236
